

AN ISO 9001: 2015 CERTIFIED COMPANY

PERFECTION

IN EVERY STROKE

**MANUFACTURER OF
INDUSTRIAL & DECORATIVE PAINTS**

About Us :

Maharashtra Paints Industry was incorporated in the year 1996 for manufacturing paints & allied products under leadership of **Mr. Mahavir Mittal** a pioneer visionary in the field of paints. As on date, MPI is a leading manufacturer of decorative paints & industrial protective paints. Ever since its incorporation, the Company has been providing its customers the best quality products and services with a reasonable pricing policy.

The manufacturing unit is situated at Talawade industrial area Pune, Maharashtra, using the best technology for the production and quality control. The Company has grown its operations and quality products by the successful implementation of the growth plans worked out and enhance the production capacities accordingly.

In September'10 the Company has obtained An ISO 9001- 2008 certification to take on all the new challenges to achieve the objective of providing high quality paints at a lower cost by reducing wastages & variations in supply chain.

Currently under the new leadership of next generation, production and management is taken care by **Mr. Ankush Mittal** and Sales & Marketing Department is handled by **Mr. Akshay Mittal**.

The Factory Is Supported By :

- » Research & Development Department is equipped with all the modern research & testing facilities having the best skills in the industry & is capable of developing products as per customer's specification.
- » An efficient Customer Support Team dedicated to provide their assistance to the customers in using the products with maximum ease & utility.

Mission
